MEMORANDUM FOR: Comptroller, Directorate of Science and Technology

SUBJECT : Proposed Agency Program Structure for FY 70-74 Program Call

REFERENCE : Memo from Comptroller, DDS&T to OCS, dtd 17 Aug 67, same subject

I have reviewed the Program Call structure as proposed in the "DDS&T Alternative" attachment to the referenced memorandum, and I concur in the four elements under Central ADP Services which encompass OCS activities. The word "support" should be eliminated from the third listed element to make the wording consistent with the first two elements.
